Hi Gil,

Attached is the final PCI/PCA tracking sheet per your request. The dates in purple font in columns L and M reflect dates outside of the period of performance (6/30/2018) to accurately reflect the dates for Regional Board comment and delivery of final report. However, please note that no additional LOE or cost were incurred outside the period of performance. If you have any questions regarding the information in the attached spreadsheet, feel free to give me a call at the number below, or you can call my cell at (615) 202-2382.

Respectfully,
